DISCIPLINE PRACTICES AT A KIDS GYM

_____ We strongly believe that positive discipline begins well before a child's behavior ever exceeds acceptable limits. From the onset, age-appropriate behaviors are identified and clearly communicated. Teachers discuss sharing, taking turns, and appropriate play limits with each child. It is essential that we maintain an environment that encourages children to explore, take risks, and make mistakes that are so vital in the learning process. To do this, a teacher's priority becomes "catching a child doing something right," and then praising that effort with smiles, hugs and attention. A teacher's job also consists of identifying potential trouble spots and eliminating them. With proactive planning and communication on a daily basis, we try to instill a positive sense of responsibility and accountability in each child. Clear limits give children confidence, and allow them to successfully interact in the classroom environment. When inappropriate behavior does occur, it is important for a child to know why that behavior is inappropriate. The teacher will immediately communicate to the child and redirect that behavior in a positive direction. These communications are handled respectfully and firmly, and are NEVER intended to embarrass or belittle a child. Specific behaviors are identified as inappropriate, never the child him/herself. The approach will affirm the value of each individual child. Time-away is used as a last resort, with emphasis on removing the child from the situation and doing something else. A Kids Gym will NOT permit and will NOT use any abusive disciplinary actions including, but not limited to, spanking, grabbing, shaking, yelling, or embarrassing a child.

My child May May NOT attend field trips outside of A Kids Gym. Field trip destinations vary, and are provided upon enrollment. Weekly updates are provided detailing field trip specifics.

If authorized above, I further authorize A Kids Gym to transport my child via A Kids Gym van/bus to and from field trip destinations as outlined in the field trip schedule. I understand field trips are subject to change, and are subject to cancellation at the discretion of A Kids Gym management.

_____ I authorize A Kids Gym to use any photographs of my child for advertising and/or publicity purposes.

_____ I understand that I need to give a two week notice in order to drop or change any weeks I sign up for. If I fail to give a two week notice, I also understand that I must pay the tuition whether my child attends or not.
