SMART START GYM PROGRAM : SUMMER

Having fun at

MOVEMENT AND BRAIN DEVELOPMENT CLASSES

Activities that give children the BEST foundation for the future learning. Building Brain Power in the early years, based on research about how children learn.

Smart Start Gym Program provides active and appropriate movement opportunities that enable your baby, toddler, and pre-school aged child to explore, develop, practice and refine skills essential for healthy neurological and physical development. The structured program is based on 30 years of research and is designed to ensure your child develops these essential foundations. **Smart Start** classes are curriculum based, age appropriate and loads of fun! Bring your child along to crawl, creep, jump, hop, swing, roll, hang, climb, sing and dance their way to a healthy physical, social, emotional and intellectual **Smart Start**. Setting foundations for learning, literacy and loving life.
