

TWO YEAR-OLD PRESCHOOL

Program Information

Our Two Year-Old Program is designed for children who turn two on or before September 1. At A Kids Gym Learning Academy, our goal is to develop in children a love of learning and discovery through a whole-child approach. For many children, this is the first experience in a social setting, thus, the program is designed to be conducive to learning socially acceptable behaviors and interactions. We also strive to help children develop positive self-esteem and confidence. The

Classroom is set-up to introduce math skills, writing (fine motor) skills, creative play, music appreciation, sensory integration, and much more. As language continues to develop, our Caring teachers will introduce new songs, stories and interactions from our Buttercup Curriculum to further enhance verbal skills. A schedule of activities will guide the day, with time divided between child and teacher-directed activities. All of the curriculum goals are achieved by using Developmentally Appropriate Practices, as recommended by the National Association for the Education of Young Children. Gymnastics classes, with a certified coach, are provided to each child enrolled in the program at no additional charge. This class participates in a snack co-op.

Tuition and Registration Information

The combinations of days are listed below, along with monthly prices. The schedule must be the same each week. No make-up days or discounts are given for missed days.

Monthly Rates

	<u>9:00 to 12:30</u>	<u>9:00 to 2:00</u>
